

Since it opened in 2000, the Family Respite Centre has helped hundreds of caregivers get a rest from the often exhausting responsibility of looking after a loved one - enabling them to get the rest they need to continue helping their loved ones remain healthy and in the comfort of their own homes.

Today, we offer an [Adult Day Program](#) and an [Overnight Respite Program](#). These programs are located in a state-of-the-art facility in a quiet south Vancouver residential neighbourhood. Our 9,436 sq. ft. Centre features innovative client-focused design; enhanced recreation activities; spa including the latest therapeutic bath and hair dressing area; and restful retreat areas.
