A faculty member requested the addition of an item to the agenda. The request was denied as the item was not related to Education Council business.
The Chair asked members to approve a fluid Agenda; Council agreed and the Agenda was re-ordered and approved as amended.

3. APPROVAL OF MINUTES

There were minor grammatical and typographical errors corrected in the June 15, 2015. The minutes were approved as amended.
4. BUSINESS ARISING FROM THE MINUTES

4.1 Ratification of 2015- 2016 Education Council Chair and Vice-Chair Elections

Council Secretary A. Gapper directed members to the minutes of the May 11, 2015 Education Council Elections.

The Secretary noted that Jasmine Nicholsfigueiredo had been elected by acclamation. Following three further calls for additional nominations, and hearing none, the Secretary declared Jasmine Nicholsfigueiredo elected by acclamation to the position of Chair for the 2015 – 2016 term.

The Secretary noted that Todd Harper had been elected as Vice-Chair by acclamation. Again, hearing no further nominations following three calls, Todd Harper was elected by acclamation to the position of Vice-Chair for the 2015 – 2016 term.

4.2 Ratification of 2015- 2016 Education Council Meeting Schedule

Council Secretary A. Gapper reminded members about the 2015 – 2016 Education Council Meeting Schedule which had been previously circulated.

There being no further discussion,

MOVED by Jeff Schutts; SECONDED by Ruab Waraich that Education Council ratify the 2015-2016 Education Council Meeting Schedule.

The Motion was CARRIED.

4.3 2016 – 2017 Education Dates and Deadlines

M. Hodder was invited to speak to this item. M. Stainsby indicated that SMT had instructed that semesters should be 13 ½ weeks long. Semesters in the document range from 12 ½ to 14 weeks.

Of particular note is that there is only one clear day between the end of the Winter 2017 semester and the beginning of the Summer 2017 semester. It was pointed out that this is really hard on the students. It was suggested to shift the start of Summer 2017 semester from May 1 to May 8, 2017 to allow more time between the end of exams and the start of semester. M. Hodder agreed to investigate when other institutions were starting their Summer semesters.

In the Fall 2016 schedule, there is a gap of one day between the date identified as the last day to change from credit to audit and the last day to add/drop a course. The Audit Policy states that these dates should be the same.
4.4 Curriculum Items

a) Curriculum Committee Recommendations

Curriculum Committee Chair Todd Harper introduced Elizabeth McCausland, Chair of the English Department, who explained that with the withdrawal of Accuplacer, there will now be no pre-requisite for all first year English courses, in other words they will be in alignment with general College admission requirements. The exception will be students entering from ELLA or ENGU who will still be required to complete a 0400 level course. These changes cannot be entered into Curriculum Navigator until a decision is made regarding proposed changes to College-entry language proficiency requirements. It is hoped that this will be by the Winter semester although it may not be possible until Summer 2016.

ACTION: Please refer the memo from English to your constituency groups.

There being no further discussion,

There was unanimous consent to Short-cycle the proposed Motion.

MOVED by Shelagh Badanic; SECONDED by Brent Stant, THAT Education Council approve the revisions to all First-year English course pre-requisites and the curriculum guidelines for CFCS 2410 and DACS 3430, and approve the withdrawal requests for CCSD 2430, CCSD 4415, CCSD 4471, CCSD 4473, CCSD 4475, CCSD 4569, CFCS 1101.
