Hearing Instrument Practitioner Diploma Program

Douglas College – Hearing Instrument Practitioner Tour

Facility Tours for the Hearing Instrument Practitioner Diploma Program are available at regularly scheduled Douglas College Information Sessions.

To register for an upcoming Information Session go to the link <http://www.douglascollege.ca/study-at-douglas/information-sessions> and click on the *Hearing Instrument Practitioner* checkbox under the **Information Session Filters** and then click on the time that you would like to attend to sign up. The Information Sessions are free of charge.

TOUR LOCATION:

Douglas College Vision & Hearing Center

Coquitlam Campus, Room A2040
1250 Pinetree Way
Coquitlam, BC V3B 7X3

For applicants outside of the BC Lower Mainland, please contact the Program Coordinator as noted below:

Hearing Instrument Practitioner - Program Coordinator: Wayne Mullen

mullenw@douglascollege.ca

604-777-6268

For any additional information about the Hearing Instrument Practitioner Diploma Program at Douglas College, please visit our web page at: <http://www.douglascollege.ca/programs-courses/catalogue/programs/DPHEAR>

Hearing Instrument Practitioner Diploma Program

LAB TOUR QUESTIONS

The lab tour form is your research into the profession. Use three of these questions as a guide during your tour.

(For tours completed at Douglas College, please return page 3 of your completed form indicating you have satisfied the Hearing Instrument Practitioner Program tour requirement).

(For tours completed elsewhere, please return page 2 and 3 of your completed form indicating you have satisfied the Hearing Instrument Practitioner Program tour requirement).

1. What do Hearing Instrument Practitioners in your location do in a typical day?
2. What type of services does this office provide?
3. How do you attract most of your clients?
4. How is a hearing test performed?
5. How are hearing aids selected for a client?
6. How are hearing aids programmed?
7. What tools are used to repair hearing aids?
8. Will accounting and computer skills be required for this profession and why?
9. Do you keep files on each patient? Why?
10. As a Hearing Instrument Practitioner, how do you stay current?
