Faculty of Health Sciences
Bachelor of Science in Nursing
MEDICAL & IMMUNIZATION FORM

Name: _____ **Student Number:** _____

Email: _____ **Phone Number:** _____

INSTRUCTIONS TO APPLICANTS:

The Bachelor of Science in Nursing Program is academically, physically, and personally very challenging. A medical examination demonstrating fitness to practice and a current record of immunizations are required prior to admission. If an applicant has previously or is currently experiencing a physical/mental illness that may affect progress in the program, they may be asked to provide information regarding the impact this health concern may have on their ability to participate in rigorous academic courses and clinical practicums.

1. Students are responsible for maintaining their mental and physical health and their personal medical and hospital insurance throughout the program.
2. A medical examination is required to be submitted prior to admission to the program. Please have the Physical Examination section of the Medical Form completed by your physician/nurse practitioner.
3. An immunization record is required to be submitted prior to admission to the program along with supporting documentation. You are required to have had the following immunizations:
    i. Tetanus, Diphtheria and Pertussis: Basic immunization series with subsequent TD booster doses required every 10 years. It is recommended to have 1 adult dose of Pertussis. If proof of childhood immunizations is not available, an adult Tdap/TD series will be required.
    ii. Poliomyelitis: Basic immunization series plus a single booster dose after 10 years. If proof of childhood immunizations is not available, an adult Polio series will be required.
    iii. Measles/Mumps/Rubella (MMR): 2 doses required or immunity confirmed by serology.
    iv. Hepatitis B: 2 doses if given as part of routine immunizations in grade 6; otherwise three doses are required.
    v. Varicella (Chickenpox): 2 doses required or immunity confirmed by serology.
    vi. TB Skin Test: to be completed within 6 months prior to starting the BSN program (after March 1 for September/Fall Intake or after July 1 for January/Winter intake. TB skin tests obtained prior to this date will not be accepted. In the event of a positive skin test, you will be required to submit a copy of a Chest X-Ray.
4. After being admitted to the program you will be required to have an annual Influenza Vaccine (or choose to wear a surgical mask at all times in the clinical practice setting during flu season) as required by the provincial Health Authorities.

PROCESS FOR SUBMITTING MEDICAL AND IMMUNIZATION DOCUMENTS:

1. Please sign the consent below.
2. Have your physician/nurse practitioner complete the Physical Examination and Proof of Immunizations sections of the form.
3. It is the applicants' responsibility to ensure the Physical Examination, Proof of Immunizations Record, supporting immunization documentation and any medical requirements are submitted to the Office of the Registrar as soon as possible. **Please note: Incomplete forms will delay your application.**

CONSENT:

I hereby authorize (give permission for) the examining physician/nurse practitioner to provide the Douglas College Registrar's Office and the Department of Bachelor of Science in Nursing with any information and/or opinions regarding my health.

INSTRUCTIONS TO THE EXAMINING PHYSICIAN/NURSE PRACTITIONER

The physical examination form is a confidential document that is required by the Department of Bachelor of Science in Nursing for admission to the program. It is used to facilitate student success and determine fitness to practice in health care settings. Please return the Physical Examination Record by mail to the office of the Registrar or have the applicant deliver it themselves to the Office of the Registrar.

Please ensure all information requested is complete with no questions left blank.
We will need to contact you if the form is incomplete and this will delay the applicant's application. Thank you for your assistance.

DEPARTMENT REQUIREMENTS

Participation in clinical experience requires assessment of your immunization status. You are required to meet Health Authority Requirements for immunizations for students in practice settings. If Health Authority immunization requirements are not met you may not have access to clinical agencies and, subsequently, the inability to complete required clinical courses which would prevent your progression in the program.

INFORMATION

Immunizations can be obtained from your Family Physician, Walk-in Clinic Physician, local Public Health Unit, Nurse Practitioner or Travel Clinic.

Ensure your Immunization Record is complete, dated, and signed to avoid delays in processing your application.

PROOF OF IMMUNIZATION

You are responsible to **keep a copy of your immunization record** as you may be required to provide proof of immunization when in a practice setting. **Copies of all original immunization and/or lab serology documents need to be submitted along with the completed Immunization Record.**

CONSENT (to be signed by the Applicant)

I hereby authorize (give permission to) my Family Physician/Nurse Practitioner or Walk-in Clinic Physician/Nurse Practitioner to provide Douglas College Faculty of Health Sciences any information regarding my immunizations.

Applicant's Signature: _____ **Date:** _____

This record must be completed in full and returned by the deadline date indicated on your acceptance letter to:
DOUGLAS COLLEGE
Coquitlam Campus

PROOF OF IMMUNIZATIONS

(To be completed and signed by the Examining Physician/Nurse Practitioner)

KEEP A COPY OF THIS FORM FOR YOUR RECORDS

_____ _____

Student Name (Please Print) **Student Number**

To the Applicant:

For admission, you are required to complete the following immunizations. Immunizations are required for your own protection and the protection of patients and families you care for as a student. If Health Authority immunization requirements are not met you may not have access to clinical agencies and, subsequently, the inability to complete required clinical courses which would prevent your progression in the program.

Copies of all original immunization and/or lab serology documents must be submitted along with the completed Immunization Record.

1. TUBERCULOSIS Skin Test (Current with 6 months of starting the BSN program)

Skin Test Result +ve____ -ve____ (DD/MM/YYRR): _____Health Care Practitioner Signature: _____

Chest X-Ray - result if the skin test is positive:

Chest X-Ray Result +ve____ -ve____ (DD/MM/YYRR): _____Health Care Practitioner Signature: _____

2. TETANUS-DIPHTHERIA-PERTUSSIS (Tdap) Vaccine

Category A:
Applicants who have received the Tetanus-Diphtheria-Pertussis primary series and booster immunizations and who can provide ALL documentation showing this:

Primary Series and booster doses documents attached: Yes _____ No _____

TD (Tetanus/Diphtheria) booster required within the past 10 years (this may be combined with a Tdap vaccine as 1 adult dose of Pertussis is recommended.)

Date received (DD/MM/YYRR) _____Health Care Practitioner Signature:_____

Category B:
Applicants who did not receive their primary series with booster doses of Tdap or do not have access to their immunization documents must have the series done as an adult (only one dose Pertussis required as an adult):

1st Dose Tdap: Date received (DD/MM/YYRR): _____Health Care Practitioner Signature: _____
2nd Dose TD: Date received (DD/MM/YYRR): _____Health Care Practitioner Signature: _____
3rd Dose TD: Date received (DD/MM/YYRR): _____Health Care Practitioner Signature: _____

3. POLIO Vaccine

Category A:
Applicants who have received the Polio primary series immunizations and can provide ALL documentation showing this:

Primary Polio Series documents attached: Yes _____ No _____

Polio booster (required 10 years after primary series):

Date received (DD/MM/YYRR): _____Health Care Practitioner Signature:_____

Category B:
Applicants who did not receive their primary series of Polio or do not have access to their immunization documents must have the series done as an adult:

1st Dose Polio: Date received (DD/MM/YYRR): _____Health Care Practitioner Signature: _____
2nd Dose Polio: Date received (DD/MM/YYRR): _____Health Care Practitioner Signature: _____
3rd Dose Polio: Date received (DD/MM/YYRR): _____HealthCare Practitioner Signature: _____

4. MEASLES-MUMPS-RUBELLA (MMR) Vaccine

Category A:
Applicants who have received 2 MMR immunizations and who can provide ALL documentation showing this:

MMR Series documents attached: Yes _____No _____

Category B:
Applicants who did not receive their MMR series or do not have access to their immunization documents must have the series done as an adult:

1st Dose MMR: Date received (DD/MM/YYRR):_____ Health Care Practitioner Signature: _____
2nd Dose MMR: Date received (DD/MM/YYRR):_____Health Care Practitioner Signature: _____

Category C:
Applicants who have serology confirming immunity to MMR:

Serology documents attached: Yes _____ No _____

5. HEPATITIS B Vaccine

Category A:
Two doses if given as part of routine immunizations in grade 6; otherwise three doses:

1st Dose Hepatitis B: Date received (DD/MM/YYRR): _____Health Care Practitioner Signature _____
2nd Dose Hepatitis B: Date received (DD/MM/YYRR): _____Health Care Practitioner Signature: _____
3rd Dose Hepatitis B: Date received (DD/MM/YYRR): _____Health Care Practitioner Signature: _____

Category B:
Applicants who have serology confirming immunity to Hepatitis B:

Serology documents attached: Yes _____ No _____

6. VARICELLA (CHICKENPOX) Vaccine

Category A:
Applicants who have received 2 Varicella immunizations and who can provide ALL documentation showing this:

Varicella Series documents attached: Yes _____ No _____

Category B:
Applicants who did not receive their Varicella series or do not have access to their immunization documents must have the series done as an adult:

1st Varicella Dose: Date received (DD/MM/YYRR):_____Health Care Practitioner Signature: _____
2nd Varicella Dose: Date received (DD/MM/YYRR):_____ Health Care Practitioner Signature: _____

Category C:
Applicants who have serology confirming immunity to Varicella:

Serology documents attached: Yes _____ No _____

Category D:
Self-declaration for applicants who have had Varicella prior to 2004.

Applicant Signature: _____

7. INFLUENZA Required as per compliance with Health Authorities (available in the **Fall** of each year)

Date received (DD/MM/YYRR):_____Health Care Practitioner Signature: _____
