1. CALL TO ORDER AND CHAIR’S REMARKS
There being a quorum present, Chair Shelley Williams called the meeting to order at 5:14 p.m. She noted the unusually high number of board member absences and late arrivals for the meeting, and expressed a strong desire to avoid similar situations in the future. Members joined the Chair in congratulating Dr. Thor Borgford on his appointment as Vice President Academic and Provost.

2. APPROVAL OF AGENDA/CONSENT AGENDA
It was moved by Dave Seaweed, seconded by Tom Spraggs, and unanimously resolved:

20/2015 THAT the Douglas College Board approve the agenda and approve/acknowledge the following items on the consent agenda:

2.5 Correspondence, Reports and Upcoming Events

3. PRESIDENT’S REPORT
3.1 Report on Operational and Strategic Matters
Kathy Denton expanded on her written report, provided in the agenda package. She advised that Thor Borgford’s appointment as VP Academic and Provost created a vacancy in his previous role, which would be considered as part of the review of the College’s Organizational Structure.
The President discussed the advancement of the Bachelor of Social Work (BSW) program proposal for review by the provincial Degree Quality Assessment Board (DQAB), and reported that this would entail a site visit by an expert review panel, likely in Summer 2015.

The President also discussed development of system-wide quality assurance mechanisms and a review of credential requirements, and advised that the Deputy Minister of Advanced Education had asked her to be part of the credential review once it is underway.

3.2 **Compliance: Douglas College 2015/16 Accountability Plan and 2014/15 Report**

The Board Chair advised that, since elements of the report depended on Closed Session approval of the College’s 2015-2020 Strategic Plan, approval of the Accountability Plan and Report would be contingent upon subsequent approval of the Strategic Plan.

Kathy Denton and Keith Ellis highlighted elements of the report included in the agenda package, and noted two measures in which results fell short of targets. Members discussed the findings and management’s response. Members commended Dr. Ellis on the quality of the report.

It was moved by Jason Carvalho, seconded by Jane Butterfield, and unanimously resolved:

\[21/2015\]

**THAT the Douglas College Board approve the Douglas College Accountability Plan and Report for the 2014/15 reporting cycle, for provision to the Ministry of Advanced Education**

She explained that the College is not currently liable for any site contamination of its property across the street from the New Westminster Campus, but could become liable should the College decide to build on the site in the future. She cited potential liability triggers, and noted that management was proceeding to secure a cost estimate should a liability occur in the future. Ms. Szirth also discussed a new rule requiring disclosure of borrowing costs (if any) attributable to the construction of capital assets. She advised that Douglas College has never borrowed money.
