

MPA Society Psychiatric Nursing Award of Distinction in Psychosocial Rehabilitation

Application Form

The Motivation, Power and Achievement Society (MPA) established this annual award to recognize and reward Psychiatric Nursing students who show initiative and innovation in the field of psychosocial rehabilitation and recovery in mental health.

In order to be eligible applicants must:

1. Be enrolled in their 6th (Diploma) or 8th (Degree) semester of the program.
2. Have a minimum cumulative GPA of 3.0 (excluding courses taken before entering the program)
3. Demonstrate initiative and innovation in clinical practice settings as evidenced by outstanding clinical practice appraisals from their clinical instructors
4. Demonstrate exemplary standards of ethical and professional caring in their practice as evidenced from their clinical practice appraisals
5. Submit a 500 word paper outlining how they have implemented PSR concepts in their practice as a student and/or how their vision of how PSR principles will influence their future practice in assisting individuals experiencing mental health issues on their road to recovery and self-determination
6. Be a Canadian citizen, landed immigrant or convention refugee
