Bachelor of Science in Nursing
MEDICAL & IMMUNIZATION FORM**

Name: _____ Student Number: _____

Email: _____ Phone Number: _____

INSTRUCTIONS TO APPLICANTS:

The Bachelor of Science in Nursing Program is academically, physically, and personally very challenging. A medical examination demonstrating fitness to practice and a current record of immunizations are required prior to admission. If an applicant has previously or is currently experiencing a physical/mental illness that may affect progress in the program, they may be asked to provide information regarding the impact this health concern may have on their ability to participate in rigorous academic courses and clinical practicums.

1. Students are responsible for maintaining their mental and physical health and their personal medical and hospital insurance throughout the program.
2. A medical examination is required to be submitted prior to admission to the program. Please have the Physical Examination section of the Medical Form completed by your physician/nurse practitioner.
3. An immunization record is required to be submitted prior to admission to the program along with supporting documentation. You are required to have had the following immunizations:
 - i. Tetanus, Diphtheria and Pertussis: Basic immunization series with subsequent TD booster doses required every 10 years. It is recommended to have 1 adult dose of Pertussis. If proof of childhood immunizations is not available, an adult Tdap/TD series will be required.
 - ii. Poliomyelitis: Basic immunization series plus a single booster dose after 10 years. If proof of childhood immunizations is not available, an adult Polio series will be required.
 - iii. Measles/Mumps/Rubella (MMR): 2 doses required or immunity confirmed by serology.
 - iv. Hepatitis B: 2 doses if given as part of routine immunizations in grade 6; otherwise three doses are required.
 - v. Varicella (Chickenpox): 2 doses required or immunity confirmed by serology.
 - vi. TB Skin Test: to be completed within 6 months prior to starting the BSN program (after March 1 for September/Fall Intake or after July 1 for January/Winter intake. TB skin tests obtained prior to this date will not be accepted. In the event of a positive skin test, you will be required to submit a copy of a Chest X-Ray.
4. After being admitted to the program you will be required to have an annual Influenza Vaccine (or choose to wear a surgical mask at all times in the clinical practice setting during flu season) as required by the provincial Health Authorities.

PROCESS FOR SUBMITTING MEDICAL AND IMMUNIZATION DOCUMENTS:

1. Please sign the consent below.
2. Have your physician/nurse practitioner complete the Physical Examination and Proof of Immunizations sections of the form.
3. It is the applicants' responsibility to ensure the Physical Examination, Proof of Immunizations Record, supporting immunization documentation and any medical requirements are submitted to the Office of the Registrar as soon as possible. **Please note: Incomplete forms will delay your application.**

CONSENT:

I hereby authorize (give permission for) the examining physician/nurse practitioner to provide the Douglas College Registrar's Office and the Department of Bachelor of Science in Nursing with any information and/or opinions regarding my health.
