Faculty of Health Sciences
Department of Psychiatric Nursing
MEDICAL & IMMUNIZATION FORM

Name: ___________________________ Student Number: ___________________________

Email: ___________________________ Phone Number: ___________________________

INSTRUCTIONS TO APPLICANTS:

The Bachelor of Science in Psychiatric Nursing Program is academically, physically, and personally very challenging. A medical examination demonstrating fitness to practice and a current record of immunizations are required prior to admission. If an applicant has previously or is currently experiencing a physical/mental illness that may affect progress in the program, they may be asked to provide information regarding the impact this health concern may have on their ability to participate in rigorous academic courses and clinical practicums.

1. Students are responsible for maintaining their mental and physical health and their personal medical and hospital insurance throughout the program.
2. A medical examination is required to be submitted prior to admission to the program. Please have the Physical Examination section of the Medical Form completed by your physician/nurse practitioner.
3. An immunization record is required to be submitted prior to admission to the program along with supporting documentation. You are required to have had the following immunizations:
   i. Tetanus, Diphtheria and Pertussis: Basic immunization series with subsequent TD booster doses required every 10 years. It is recommended to have 1 adult dose of Pertussis. If proof of childhood immunizations is not available, an adult Tdap/TD series will be required.
   ii. Poliomyelitis: Basic immunization series plus a single booster dose after 10 years. If proof of childhood immunizations is not available, an adult Polio series will be required.
   iii. Measles/Mumps/Rubella (MMR): 2 doses required or immunity confirmed by serology.
   iv. Varicella (Chickenpox): 2 doses required or immunity confirmed by serology or previous history of disease.
4. Hepatitis B: This vaccination series is highly recommended by provincial Health Authorities for those who may be exposed to blood or body fluids, or at increased risk of a sharps injury. At the present time this is not required for admission to the program. If you choose to have the vaccine series you will require two doses if given as part of routine immunizations in grade 6; otherwise three doses are necessary.
5. TB Skin Test: After being admitted to the program you will be required to have TB skin testing done within 6 months of your first clinical experience. (We will inform you of this date.) TB skin tests obtained prior to this date will not be accepted. In the event of a positive skin test, you will be required to submit a copy of a Chest X-Ray that is current within the last 12 months.
6. After being admitted to the program you will be required to have an annual Influenza Vaccine (or choose to wear a surgical mask at all times in the clinical practice setting during flu season) as required by the provincial Health Authorities.

PROCESS FOR SUBMITTING MEDICAL AND IMMUNIZATION DOCUMENTS:

1. Please sign the consent below.
2. Have your physician/nurse practitioner complete the Physical Examination and Proof of Immunizations sections of the form.
3. It is the applicants’ responsibility to ensure the Physical Examination, Proof of Immunizations Record, supporting immunization documentation and any medical requirements are submitted to the Office of the Registrar as soon as possible. Please note: Incomplete forms will delay your application.

CONSENT:

I hereby authorize (give permission for) the examining physician/nurse practitioner to provide the Douglas College Registrar’s Office and the Department of Psychiatric Nursing with any information and/or opinions regarding my health.

INSTRUCTIONS TO THE EXAMINING PHYSICIAN/NURSE PRACTITIONER

The physical examination form is a confidential document that is required by the Department of Psychiatric Nursing for admission to the program. It is used to facilitate student success and determine fitness to practice in health care settings. Please return the Physical Examination Record by mail to the office of the Registrar or have the applicant deliver it themselves to the Office of the Registrar.

Please ensure all information requested is complete with no questions left blank. We will need to contact you if the form is incomplete and this will delay the applicant’s application. Thank you for your assistance.

Mail to: DOUGLAS COLLEGE
        Admissions
        Coquitlam Campus
        Office of the Registrar
        1250 Pinetree Way Coquitlam,
        BC V3B 7X3
PHYSICAL EXAMINATION
(To be completed and signed by the Examining Physician/Nurse Practitioner)

Please complete all sections and do not leave any blank questions as this will delay the admissions process.

The information provided below is confidential and will be used for admission purposes to determine fitness to practice and to support student success.

DEPARTMENT REQUIREMENTS
Participation in clinical experience requires assessment of your immunization status. You are required to meet Health Authority Requirements for immunizations for students in practice settings. If Health Authority immunization requirements are not met you may not have access to clinical agencies and, subsequently, the inability to complete required clinical courses which would prevent your progression in the program.

INFORMATION
Immunizations can be obtained from your Family Physician, Walk-in Clinic Physician, local Public Health Unit, Nurse Practitioner or Travel Clinic.

"Ensure your Immunization Record is complete, dated, and signed to avoid delays in processing your application."

PROOF OF IMMUNIZATION
You are responsible to keep a copy of your immunization record as you may be required to provide proof of immunization when in a practice setting. Copies of all original immunization and/or lab serology documents need to be submitted along with the completed Immunization Record.

CONSENT (to be signed by the Applicant)
I hereby authorize (give permission to) my Family Physician/Nurse Practitioner or Walk-in Clinic Physician/Nurse Practitioner to provide Douglas College Faculty of Health Sciences any information regarding my immunizations.

Applicant’s Signature:__________________________________________ Date: ____________

This record must be completed in full and returned by the deadline date indicated on your acceptance letter to:

PROOF OF IMMUNIZATIONS
(to be completed and signed by the Examining Physician/Nurse Practitioner)
KEEP A COPY OF ALL IMMUNIZATION DOCUMENTS FOR YOUR RECORDS

Student Name (Please Print) ______________________  Student Number ______________________

To the Applicant:

For admission, you are required to complete the following immunizations. Immunizations are required for your own protection and the protection of patients and families you care for as a student. If Health Authority immunization requirements are not met you may not have access to clinical agencies and, subsequently, the inability to complete required clinical courses which would prevent your progression in the program.

Copies of all original immunization and/or lab serology documents must be submitted along with the completed Immunization Record.

1. TETANUS-DIPHTHERIA-PERTUSSIS (Tdap) Vaccine

   Category A:
   Applicants who have received the Tetanus-Diphtheria-Pertussis primary series and booster immunizations and who can provide ALL documentation showing this:

   Primary Series and booster doses documents attached: Yes _______

   TD (Tetanus/Diphtheria) booster required within the past 10 years (this may be combined with a Tdap vaccine as 1 adult dose of Pertussis is recommended).

   Documentation attached: Yes _______

   Or Category B:
   Applicants who did not receive their primary series with booster doses of Tdap or do not have access to their immunization documents must have the series done as an adult (only one dose Pertussis required as an adult):

   1st Dose Tdap documentation attached: Yes _____
   2nd Dose TD documentation attached: Yes _____
   3rd Dose TD documentation attached: Yes _____

2. POLIO Vaccine

   Category A:
   Applicants who have received the Polio primary series immunizations and can provide ALL documentation showing this:

   Primary Polio Series documents attached: Yes _______

   Polio booster (required 10 years after primary series):
   Documentation attached: Yes _____

   Or Category B:
   Applicants who did not receive their primary series of Polio or do not have access to their immunization documents must have the series done as an adult:

   1st Dose Polio documentation attached: Yes _____
   2nd Dose Polio documentation attached: Yes _____
   3rd Dose Polio documentation attached: Yes _____
3. MEASLES-MUMPS-RUBELLA (MMR) Vaccine

   Category A:
   Applicants who have received 2 MMR immunizations and who can provide ALL documentation showing this:

   MMR Series documentation attached: Yes _______

   Or Category B:
   Applicants who did not receive their MMR series or do not have access to their immunization documents must have the series done as an adult:

   1st Dose MMR documentation attached: Yes _____
   2nd Dose MMR documentation attached: Yes _____

   Or Category C:
   Applicants who have serology confirming immunity to MMR:

   Serology documents attached: Yes ______

4. VARICELLA (CHICKENPOX) Vaccine

   Category A:
   Applicants who have received 2 Varicella immunizations and who can provide ALL documentation showing this:

   Varicella Series documents attached: Yes ______

   Or Category B:
   Applicants who did not receive their Varicella series or do not have access to their immunization documents must have the series done as an adult:

   1st Varicella Dose documentation attached: Yes _____
   2nd Varicella Dose documentation attached: Yes _____

   Or Category C:
   Applicants who have serology confirming immunity to Varicella:

   Serology documents attached: Yes ______

   Or Category D:
   Applicants who have had the disease after 12 months of age.

   Yes: ______

HEPATITIS B Vaccine

   Category A:
   Two doses if given as part of routine immunizations in grade 6; otherwise three doses:

   1st Dose Hepatitis B documentation attached: Yes ______
   2nd Dose Hepatitis B documentation attached: Yes ______
   3rd Dose Hepatitis B documentation attached: Yes ______

   Or Category B:
   Applicants who have serology confirming immunity to Hepatitis B:

   Serology documents attached: Yes ______
