

VTEC Trust Fund

Now you can celebrate the love and loyalty of your pet by supporting the Veterinary Technology (VTEC) Trust Fund at Douglas College.

The VTEC Trust Fund gives pet owners a loving way to honour the memory of a pet, or appreciate a special vet or animal lover, while helping fund an educational program that benefits our animal friends now and in the future.

Douglas College is home to the first and only Veterinary Technology program in Metro Vancouver. Graduates become part of the trusted veterinary teams that provide the outstanding animal care and nursing you have come to expect from B.C. veterinary clinics.

By supporting the VTEC Trust Fund, you are helping improve the health and quality of life of companion animals. For more information on the Veterinary Technology program or the VTEC Trust Fund, please visit douglascollege.ca/vtec.
