4.1 APPROVAL OF MINUTES OF JUNE 19, 2008

It was moved by Alysia MacGrotty, seconded by Paul Wates and unanimously resolved:

25/2008 THAT the minutes be approved as distributed.

5. BUSINESS ARISING FROM MINUTES

There was no business arising from the minutes of June 19, 2008.
6. INFORMATION/COMMUNICATION

6.1.1 BCGEU

The Chair conveyed regrets from Acting Constituency Group Leader Catherine Elson, who had conveyed an expectation that the BCGEU would once again have Constituency Group Leader representation at the College Board table by Fall 2008.

6.1.2 DCFA

Susan Briggs advised that she would resume submission of reports to the Board by October 2008. The Chair invited questions; there were none.

6.1.3 DSU

6.1.3a) Report – The Chair noted that DSU Treasurer Geoffrey Lenahan had, shortly before the meeting, conveyed Constituency Group Leader Hassan Chaudhry’s regrets.

6.1.3b) Request: Letter of Agreement – Introducing himself as the Treasurer of the Douglas Students’ Union (DSU), Geoffrey Lenahan thanked Board members for the opportunity to speak. He reported that the DSU had been pushing its Receiver-Manager since February 2008 to be removed from such leadership and been rewarded, in that it had been able to present its latest audited financial statements at its March 12, 2008 Annual General Meeting. He stated that the DSU could have gone to court at that point to remove itself from receivership but that it realised it needed someone to run its accounting matters. Mr. Lenahan noted that, as of May 2008, the Receiver-Manager was there only to cut cheques and provide guidance on financial management; day-to-day operations have been left up to the students and staff.

Mr. Lenahan said that the DSU had moved forward more in the last four months than it had in the previous twenty-four; it had hired an employee with three years of Not-For-Profit experience to begin work on September 9, 2008. He reported that this person is working on her Level Five Accounting and that the Receiver-Manager has agreed to a contract for the University of Victoria to do the DSU payroll if the new employee hasn’t attained Level Five standing by her start date.

Mr. Lenahan stated that was now time to remove the DSU from receivership as it is in compliance with the College and Institute Act. He advised that, if the College would not write a letter supporting such a removal, the DSU would apply to the courts. He expressed understanding of concerns the College may have with the DSU operating for itself for the first time in six years, and offered that this is not the College’s business. Mr. Lenahan expressed his view that, should the matter end up in court, he was “sure that the school will yet again be reprimanded” for “meddling in affairs in which it has no business”. Mr. Lenahan stated that he was not in attendance at this meeting to ask that the Board write a letter, but to inform and show the right decision to be made. He again thanked the Board for the opportunity to speak. Andrew Taylor thanked Geoffrey Lenahan, and invited questions. Acknowledging Mr. Lenahan’s reference to processes to be followed, the Chair noted that clearly defined processes were outlined by the court. He affirmed that the Board has given and will continue to give consideration to the matters Mr. Lenahan mentioned, and advised that the Board would defer to the advice of its Finance committee. The Chair encouraged the DSU to engage in discussion of such matters with the Finance Committee as soon as possible in order to reach a consensus on the definition of compliance.

Advising Geoffrey Lenahan that his presentation was well received, the Chair confirmed that the Board would deliberate after receiving advice on the matter from its Finance Committee. He reiterated his encouragement that Mr. Lenahan, in the spirit he had mentioned, engage the Finance Committee in such discussions so that the Finance Committee could make a recommendation to the College Board.
7. REPORTS
7.1 BOARD CHAIR
