4. PRESIDENT’S REPORTS
4.1 Douglas College 2010 – 2015 Strategic Plan: Update

The President outlined a change in practice, wherein the College has moved from holding annual budget forums for input from all employees, to holding a single forum on March 9, 2011 to engage employees in discussion of a Strategic Plan Update as well as the 2011-12 College budget. The President observed that employees were actively engaged with the College’s Strategic Plan.

5. FOR REVIEW/APPROVAL
5.1 Financial/FTE Reporting to January 31, 2011

Audit and Finance Committee (AFC) Chair Peter Kendrick reported that the Committee had reviewed and was satisfied with the financial and Full Time Equivalent (FTE) reports.

The Vice President, Finance and Administration noted for the benefit of new Board members that the College provides both the AFC and the Board with such statements once each semester, in February, June and October of each year. The President observed that enrolments for Winter 2011 were up 5.7% over the previous year, led by increases in university transfer enrolments. Board members considered the increases in university transfer FTEs, reporting methodologies for non-credit programming, a budget surplus and revenues and expenditures.

5.2 Facilities: New Westminster Campus Concourse

The Vice President, Finance and Administration highlighted the extent of consultations undertaken over a significant period of time and outlined seating, work station, temperature modification and vestibule planning as undertaken through the leadership of Terry Leonard. In recent weeks, the current concept proposal was also considered by two groups for discussion and input: 30 student leaders accompanied by six staffers, and 60 excluded employees. The Vice President, Educational Services reported that the students had been intrigued and pleased at the prospect of gathering places, the installation of some colour, and the performing arts area. The student leaders had begun considering opportunities for acting, dancing and other presentations in the newly designed space.

The Audit and Finance Committee (AFC) Chair reported that the AFC had once again reviewed and endorsed the proposal, during its meeting of February 15, 2011. The Board Chair invited questions, noting that he had attended the meeting of the College’s excluded employees and had the opportunity to hear employees’ expressions of support for the proposal.

It was moved by Bruce Clarke, seconded by Sydney Tomchenko and unanimously resolved:

06/2011 THAT the Douglas College Board approve up to $1,500,000 for improvements to the concourse at the New Westminster Campus; funding to be taken from the One Time Only (OTO) funds available in the 2011/12 Operating Budget

The Chair offered the Board’s thanks to Terry Leonard for his consistency in due diligence, and looked forward to the completion of the project.

5.3 Board Development and Education:
Delegation to 2011 Association of Canadian Community Colleges (ACCC) Conference

The Chair noted that the Board delegation to the 2011 ACCC conference would grow. While Bruce Clarke and Jim Utley had been confirmed the prior month as this Board’s delegates, ACCC had subsequently accepted a session proposal initially developed by this College and invited Peter Kendrick and Karen Maynes to provide a presentation at the conference. They would co-present with their counterparts from Langara College.

The Chair reported that he and Shelagh Donnelly would attend the Association of Governing Boards’ (AGB’s) 2011 National Conference on Trusteeship in early April to assess the benefits of that development opportunity, and would report back to the Board at its April 2011 meeting.
