Tracey Szirth discussed her written report, which reflected Summer 2016 credit courses. She reviewed factors in the 6.5% decline in domestic enrolments compared to Summer 2015, and discussed the reasons management had anticipated such a decline. She reported that international enrolments had increased by 28.2% over the previous summer, and now exceeded budgeted growth projections for the entire fiscal year. Members discussed enrolment trends and projections.

f) Quarterly Three-Year Financial Forecast to Government: Q1, 2016/17

Ms. Butterfield discussed the report contained in the agenda package.

5.3 Campus Planning Committee (CPC): Chair’s Report

Jeevan Khunkhun discussed the CPC’s meeting with consultants engaged in development of the Campus Master Plan. He discussed the Committee’s intent to review and provide feedback on the draft Plan in late August, in order to ensure sufficient time for any recommended changes prior to presentation to the Board at the October retreat.

5.4 Human Resources Committee (HRC): Chair’s Report

John Evans reported on the recent meeting with the PSEA (Post Secondary Employers’ Association) CEO to discuss the work underway in development of a new executive compensation framework. Vicki Shillington advised that the sectoral committee would reconvene in the Fall to review benchmark data and make recommendations to government.

Mr. Evans advised that the proposed 2016 President evaluation survey would be presented for approval during the Board’s Closed Session meeting. He reviewed the process and timeline designed to provide evaluation reports to the Board and President in September 2016.
Mr. Evans reported on the Committee’s discussion of the launch of the College’s 2016-2020 HR Plan, and action on recommendations arising from the internal audit. He noted the HRC’s review of student and employee safety support with the College’s Director, Safety, Security and Risk Management.

Mr. Evans discussed the preliminary results of the College’s 2016 Employee Engagement Survey as reported to the HRC by the President. He noted a significant increase in the employee participation rate compared to the previous survey. Mr. Evans advised that management planned to present its full report to the HRC in September 2016.

5.5 Technology Strategy Committee (TSC)

a) Chair’s Report

Dave Teixeira discussed the TSC’s review of the College’s Spring 2016 launch of the Ellucian mobile app, which enables students to register for courses and access College services via smartphones and tablets. Mr. Teixeira noted the Committee’s discussion of technology systems’ performance, and attention to cyber attacks on institutions elsewhere in North America. He discussed management’s reports to the Committee, and advised of the TSC’s discussion of an Association of Governing Boards (AGB) conference session on alignment of technology investments with strategy.

b) Technology Strategy and Priorities: Update

Jason Carvalho and Dave Teixeira presented a report on the College’s planned technology initiatives and related milestone dates. They indicated that the current projects focused on improving user experience, and that future work would focus on operational effectiveness. A discussion ensued. The Board commended management and the TSC for the progress to date, and shared their views on areas for future focus, including: predictive analytics, technology trends/innovations, and potential impacts on future program/service delivery as well as infrastructure planning.
