John Evans referred to the previous meeting when members considered the VP Academic and Provost's recommendation to close the Dental Assisting Certificate Program as of September 1, 2018. After a fulsome discussion at that meeting, a vote was taken; however, because the Board Chair voted before other votes had been cast, which is contrary to the College’s By-Laws, the vote is null and void. The Chair apologised for this error and explained that, for the above reason, a new vote is required.

Mr. Evans noted the President had provided a written perspective on the recommended closure to give Board members more context and asked her to speak to her document. Questions of management and discussion followed.
