DOUGLAS COLLEGE

Dental HygieneAcademic Career Pathway

Registered Dental Hygienists are highly trained health professionals whose education and training focus on the prevention of oral disease and the promotion of oral health. One must be a <u>registered</u> and licensed hygienist (RDH) to work in this profession.

Institutions in British Columbia offering Hygiene programs:

Diploma programs: <u>Vancouver Community College</u>, <u>College of New Caledonia</u>, <u>Vancouver College of Dental Hygiene</u>, <u>Vancouver Island University</u>, and <u>Camosun College</u>

Bachelor of Dental Science: Dental Hygiene Degree at UBC.

The academic admission requirements are similar between the institutions listed above. There are a few areas of differentiation including acceptance GPA. Please refer to the institution's program page for specific admission requirements.

The Pre-requisite courses (listed below), are required as part of admission to <u>most</u> Dental Hygiene Diploma Programs. Overall grade point average of 3.0 B (75%) or better is typically required.
