IF YOU ARE A STUDENT WITH A PERMANENT DISABILITY

If you are a student with a permanent disability as defined below, you may be eligible for additional student financial assistance.

“Permanent disability” for the purposes of student financial assistance means a "functional limitation caused by a physical or mental impairment that restricts the ability of a person to perform the daily activities necessary to participate in studies at a post-secondary school level or the labour force and is expected to remain with the person for the person’s expected life."

Note:
Not all medical conditions are considered permanent disabilities for the purpose of StudentAid BC permanent disability funding.

To be considered for the permanent disability funding listed on Page 2, you must:

- Document your permanent disability status by completing an Appendix 8 – Permanent Disability Programs Application at www.StudentAidBC.ca.
- Section 4 of Appendix 8 must be completed by a qualified medical assessor in Canada.
- Your physician or other qualified medical assessor must clearly indicate how your disability impacts you on a daily basis in an educational setting.

IF YOU HAVE PREVIOUSLY HAD YOUR PERMANENT DISABILITY STATUS APPROVED BY StudentAid BC, YOU DO NOT NEED TO RESUBMIT APPENDIX 8.

Note:
If your permanent disability status is not approved by StudentAid BC six weeks before the end of classes, any funding from your current financial aid application will not include grants for students with permanent disabilities.

B.C. public post-secondary institutions have disability coordinators who may assist you with the process of submitting the appropriate documentation to StudentAid BC for verifying your permanent disability.
