PROGRAM ENTRANCE QUESTIONNAIRE
VETERINARY TECHNOLOGY PROGRAM

STUDENT NAME: **STUDENT NO.**

1. Briefly describe why you would like to train to be a Veterinary Technologist

2. The Veterinary Technology (VTEC) program is academically rigorous full time in-person program that is physically, emotionally and financially demanding. Success in the program requires strong time management, resilience and a commitment to maintaining your mental and physical health. Drawing from your previous experience in High School, College, University, and/or general life experiences, describe how you will prepare for the challenges of this two-year commitment.

3. Please provide an example of a time when you had to work in a team environment. Discuss any leadership skills that you demonstrated, or challenges that you overcame when working with this team.

4. Describe what types of job opportunities are available to you as a VTEC graduate. Pick 1 of these opportunities and describe why that career path within the profession might be of most interest to you.

5. Have you applied (currently or in the past) to any other VT or other veterinary related programs? What will you do if you are not accepted into the VTEC program this year?

6. Our program has a competitive entry system. To maximize your chance of a seat offer, you need to document your maximum level of education by submitting all relevant post-secondary transcripts in addition to your high school prerequisite transcripts. In addition, please ensure you have logged all animal related work experience.
    - Use the space below to describe any animal related experience you previously had that is not reflected in your work experience log. Indicate why you have not been able to log this experience.
    - You may also outline below any relevant work experience you plan to do during the spring and summer after the January 15th application deadline, but before the fall start date for the program.
