APPEAL OF EDUCATIONAL DECISIONS POLICY

A. PURPOSE

This document outlines the principles that govern the procedures for student appeals of decisions that relate to Educational Policies at Douglas College.

B. SCOPE (DEPARTMENTS AND/OR PARTIES TO WHICH THIS POLICY APPLIES)

- Chairs/Coordinators
- Deans/Associate Deans/Directors
- Education Council
- Faculty Members
- Office of the Registrar
- Staff Members
- Student Affairs and Services (i.e., Counselling, Accessibility Services, Aboriginal Student Services)
- Students
- Vice President, Academic and Provost
C. DEFINITIONS

**Appeal Support Person**: A member of the College community who is able to offer confidential support to a student during an appeal of an educational decision and who may, upon request, accompany the student to an Educational Appeals Committee hearing. Choice of Appeal Support Person is restricted to one of the following persons in the Douglas College community, owing to their knowledge of College policy and procedures and to their familiarity with students’ interests: a Counsellor, an Accessibility Specialist, the Aboriginal Coordinator or the Douglas Student Union Ombudsperson.

**Education Council Appeal Tribunal**: A final level of appeal of educational policies or practices.

**Educational Appeals Committee**: The committee that hears student appeals concerning College educational decisions where a resolution was not reached in Stage I.

**Grounds Review**: An assessment of the reasons for the appeal to determine whether further action is warranted.

**Natural Justice**: Principles or rules designed to ensure that appeal decisions are made free of bias and are procedurally fair. Such principles require, for example, that the student be given adequate notice of appeal proceedings, disclosure of all materials submitted, and reasonable opportunity to present a case.

**Responsible Administrator**: The administrator responsible for the Faculty or Educational Service involved in the appeal. Depending on the scope of the appeal, this may be the College Registrar or Associate Registrar, the Dean or Associate Dean of a Faculty or the Director or Associate Director of Student Affairs and Services.

**Student**: For the purposes of this policy, an individual who has been accepted to the College and has an active student number. A student number remains active for one calendar year after the student’s last registered semester.

D. POLICY STATEMENTS

Douglas College is committed to the principle of fair and equitable policies and practices, and holds itself accountable for educational decisions made by its departments/programs and employees that affect students’ access to and progression through their programs. Therefore, students have the right to appeal educational decisions and practices when it is believed that the College has not applied this principle. This policy outlines the range of educational decisions that can be appealed and the appropriate avenue of appeal in each case. All stages of the appeal process will be carried out in accordance with the principles of natural justice; however, the procedures within this policy do not constitute a judicial process.

Students may appeal educational decisions that relate to policies involving:

D1. Decisions about matters involving the Office of the Registrar. These include (but are not limited to) the following:
• Late course withdrawals
• Late course additions
• Maximum number of registrations/course repeats for individual courses
• Recognition of transfer credit
• Time limits for completion of credentials
• Credential residency requirements

D2. Decisions that affect students’ access to education and/or academic progress. These include (but are not limited to) the following:

• Access to practicum, clinical or work experience placements
• Acceptance into an educational enrichment opportunity, such as a field school, directed study course, honours seminar or honours program
• Continuation/progression in or graduation from a program
• Academic Integrity violations

Students are encouraged to consult with an Appeal Support Person for assistance with understanding the Appeal of Educational Decisions Policy and with preparing a written submission, where appropriate.

LIMITATIONS

This policy applies specifically to decisions based in Educational Policies and is not relevant to those associated with Administration Policies or Board Policies.

For information about student appeals of final grades in credit courses, students must refer to the Appeal of Final Grades Policy.

The Appeal of Educational Decisions Policy does not apply to decisions relating to behaviours that are seen to pose a threat to another individual or the broader College community, including decisions to discipline, suspend or expel a student for alleged or confirmed instances of student misconduct of a violent and/or sexual nature, or that are deemed to be discriminatory, intimidating or hostile (see College conduct policies).

Any appeal of an educational decision is distinct from a complaint about the quality or delivery of a course or program. Such complaints can be made, in writing, to the Responsible Administrator of the department involved.

Where a student wishes to appeal an educational decision in addition to submitting a complaint or an appeal under another policy, the Responsible Administrator will determine which process will be completed first.

An appeal initiated by a student who has been suspended from Douglas College must still follow the timelines of this policy but the appeal will not be heard until the student has been reinstated. It will then be the responsibility of the student to reactivate the appeal within thirty (30) calendar days following the completion of the suspension.
E. PROCEDURES

The deadline for appealing an educational decision is four (4) months following the end of the term in which the original educational decision was made.

Note: Please see Appendix A for Appeal of Educational Decisions Process Flowcharts.

STAGE I - PRELIMINARY PROCESS

Appealing decisions about matters involving the Office of the Registrar (as noted in D1 above)

A student must submit a Request for Exception form that clearly states the grounds for the request and the desired outcome along with supporting documentation. Request for Exception forms and a list of accepted documentation are located on the Douglas College website.

All documentation must be submitted to the Office of the Registrar for review by the Responsible Administrator. The student and any College employee(s) named in the request for exception may then be contacted to provide additional information.

The Responsible Administrator will approve or deny the student’s request and inform the student in writing.

Appealing decisions about access to education and/or academic progress (as noted in D2 above)

Wherever possible, a student should attempt to resolve a concern about decisions involving access to education and/or academic progress informally by meeting with the department/program involved, ideally with the individual responsible for making the original decision (e.g., the course instructor or the department Chair or Coordinator).

If resolution cannot be reached, the student may request a review by the Responsible Administrator. Supporting documentation may be required by the student at this time.

The Responsible Administrator will approve or deny the request and notify the student in writing.

Any new information that becomes available within the four (4) month deadline may be submitted to the Responsible Administrator, who will then determine whether this will lead to reconsideration of the original appeal decision.

STAGE II - APPEAL TO THE EDUCATIONAL APPEALS COMMITTEE

If a request for exception is denied by a Responsible Administrator in Stage I, a student may appeal to the Educational Appeals Committee (see Appendix B: Educational Appeals Committee). Appeals must be submitted in writing and include grounds for the appeal based on any of the following:

- Policy was incorrectly applied
- Important evidence was missing or not considered
• Due process was not followed
• The decision was inconsistent with the principles of natural justice

Dissatisfaction with the decision of the Responsible Administrator is not a ground for review.

PROCESS

The student must submit an Appeal of an Educational Decision form (available at the Office of the Registrar or Student Affairs and Services Office) along with documentation supporting the grounds for the appeal to the Registrar within ten (10) business days of receiving the Responsible Administrator’s decision in Stage I.

The Registrar will review the appeal to determine if there are grounds for a hearing.

If the Registrar determines that there are grounds for a hearing, the student, Responsible Administrator, and any relevant employee(s) will be informed that an appeal is in process. This process must be completed within ten (10) business days.

Once the relevant employee(s) have been informed of the appeal, they have ten (10) business days to submit a response to the Registrar.

The Registrar, as Educational Appeals Committee Chair, will then convene a meeting of the Committee, within twenty-five (25) business days of receiving all documentation submitted by the student and employee(s) named in the appeal. Requests for extensions to deadlines, by either party, must be submitted in writing to the Committee Chair, and will not be unreasonably denied.

All confidential documentation and relevant College policies or regulations to be considered will be made available to the student electronically, and to all other parties to the appeal, in hard copy, at least ten (10) business days prior to the appeal hearing. Any new documentation submitted after this time may be admissible during the hearing only with the Chair’s approval.

Note: College employee(s) named in the appeal may or may not be required to attend the formal appeal hearing.

While students are expected to conduct their own appeals, where appropriate, the Appeal Support Person of choice may be permitted to present the student’s perspective during the hearing, at the discretion of the Chair. The request for this representation must be given to the Chair of the Educational Appeals Committee at least one week prior to the date of the appeal.

The hearing will be audio-recorded, except for the Committee’s deliberations, which are private.

The Committee Chair will send written notification of the appeal decision to the student and Responsible Administrator within five (5) business days of the appeal hearing.
In the event of a successful appeal, the Responsible Administrator who oversees the College unit out of which the appealed decision originated is responsible for ensuring compliance with the Committee’s decision.

An appeal will automatically be denied if the student does not attend and does not give reasonable notice of inability to attend.

**STAGE III – APPEAL TO THE EDUCATION COUNCIL APPEAL TRIBUNAL**

If an appeal of an educational decision is denied by the Educational Appeals Committee, the student may appeal to the Education Council Appeal Tribunal. The grounds for a review by the Education Council Appeal Tribunal are as follows:

- Due process was not followed in Stages I or II
- The Appeal of Educational Decisions Policy was incorrectly applied in Stages I or II
- Evidence that might reasonably change the outcome of the appeal was not available at the Educational Appeal hearing, or the student was not permitted to present such evidence
- The decision was inconsistent with the principles of natural justice

Dissatisfaction with the decision of the Educational Appeals Committee is not a ground for review.

**Committee Membership**

Membership comprises three (3) members from Education Council: The Chair and Vice Chair and one (1) other elected member, none of whom has been involved in an earlier determination of the appeal. The Chair of Education Council chairs the Appeal Tribunal; if the Chair is unavailable, the Vice Chair assumes this role.

**PROCESS**

The student will submit to the Education Council (edco@douglascollege.ca) a written request for a hearing by the Education Council Appeal Tribunal within ten (10) working days of receipt of the Educational Appeal Committee’s written decision. The request should briefly explain the nature of the original appeal and the grounds for a hearing by the Education Council Appeal Tribunal.

**Grounds Review Meeting**

The Education Council Chair will request copies of all Educational Appeal Committee hearing materials from the Responsible Administrator, and will circulate copies of all documents to the Appeal Tribunal. Within ten (10) working days of receiving the student’s request for review, the Appeal Tribunal will meet to review the material, including the audio recording of the Educational Appeal hearing if necessary, and determine whether there are grounds for a review of the Educational Appeal Committee’s decision. This meeting is not recorded and the student may not attend.
If the Education Council Appeal Tribunal determines that there are not grounds for review, the Chair will communicate the decision to the student and College employee(s), in writing, including the reason(s) for the decision, within five (5) working days of the Grounds Review meeting.

Hearing by the Appeal Tribunal

If the Appeal Tribunal determines that there are grounds for a review, a hearing will be scheduled within ten (10) working days of the Grounds Review meeting. Students may attend the hearing. If requested, an Appeal Support Person of choice may be permitted to present the student’s perspective during the hearing, at the discretion of the Chair, with appropriate consultation. Notification of attendance must be given to the Chair of the Appeal Tribunal at least one week prior to the date of the appeal.

The hearing will be audio-recorded, except for the Tribunal’s deliberations, which are private.

The decision of the Appeal Tribunal will be made by majority vote and will be delivered by the Chair to the student and the employee(s). The student will subsequently receive written confirmation of the decision from the Chair.

The recording and all documentation related to the Appeal Tribunal hearing, including any notes made by Appeal Tribunal members, will be kept by the Education Council Secretary for a period of two (2) calendar years, after which all records of the appeal hearing(s) will be destroyed.

The student may decide to withdraw an appeal at any time during the appeal review process.

The faculty member and the administrator will be replaced in different years.

The Committee Chair and Counsellor as non-voting members, will offer information to the Committee as required to assist its deliberations, but will not attempt to influence the decision of the voting members.

To open the formal hearing, the Committee Chair will introduce all parties and outline the procedures to be followed, noting that the hearing will be audio-recorded (except for the Committee’s deliberations).

The student will then present their concerns, after which the Committee will ask questions and seek clarifying information. The employee(s) named in the appeal will then have the opportunity to respond and present their perspective(s) on the situation outlined by the student. Committee members will then have the opportunity to ask questions.

The Committee members will then deliberate in camera, with the audio-recording turned off, and make a decision regarding the appeal by majority vote.

Once a decision has been made, the parties to the appeal will be recalled to the hearing room, the audio-recording turned on, and the Committee’s decision delivered by the Committee Chair to all parties.

The Committee Chair will send written notification of the appeal decision to the student and Responsible Administrator within five (5) business days of the appeal hearing.

The recording and all documentation related to the appeal, including any notes made by Committee members, will be collected, sealed and retained by the Chair for one (1) year.
