

## Volunteer Opportunities

Volunteers are involved in the following areas/programs:

- Physiotherapy & Rehabilitation
- Recreation
- Music Therapy
- Pet Visitations
- One to One Visitor
- Bus Outings

## Chénchenstway Care Home

Chénchenstway is a newly established long-term care community that opened in October 2023, featuring in-house dining services, outdoor spaces, salon, rehab gym, and more.

Located in Burnaby, Chénchenstway is the only long-term care home in British Columbia jointly operated by two health authorities, Fraser Health Authority and Providence Health Care.

We are looking for **volunteers** to improve the quality of life for our residents. Volunteering provides meaningful social interactions, skill development, and companionship; all of which fosters an engaging healthcare community.

## Benefits

- Giving back to the healthcare community
- Develop practical skills and empathy
- Training opportunities and mentorship
- Learn and network with experienced professionals of various backgrounds
- Social activities with staff
- Reference letter customized to your successful volunteering

## Requirements

- Minimum commitment of 5 months (2hr/week)
- Minimum age of 16
- Clear criminal record
- Interest in healthcare and comfortable volunteering in a senior home setting
- Proficient in English

Placements are based on interests, abilities, and schedule.
