LAB TOUR QUESTIONS

The lab tour form is your research into the profession. Use three of these questions as a guide during your tour.

(For tours completed at Douglas College, please return page 3 of your completed form indicating you have satisfied the Opticianry Diploma Program tour requirement).

(For tours completed elsewhere, please return page 2 and 3 of your completed form indicating you have satisfied the Opticianry Diploma Program tour requirement).

1. What do Licensed Opticians in your location do in a typical day?
2. What type of services does this office provide?
3. How do you attract most of your clients?
4. How are lenses edged?
5. How are eyeglass frames selected for a client?
6. How are contact lenses selected?
7. What tools are used to repair frames?
8. Will accounting and computer skills be required for this profession and why?
9. Do you keep files on each patient? Why?
10. As a Licensed Optician, how do you stay current?
