

GRADUATION 2024

Message from the President

Congratulations!

You completed your program and graduated from Douglas College. Your hard work, perseverance and commitment have paid off. It's time to celebrate, take pride in your accomplishments and appreciate the support you've received along the way.

Graduation is one of my favourite times of year. Although I've participated in hundreds of convocation ceremonies, each one is truly special. The cheers and tears from the audience always remind me of what an important milestone the day is for all of us. From faculty, friends and families to support staff, administrators and many others, we are all so very proud of you.

These days, more than ever, I am also reminded of the vital importance post-secondary education plays in building a better society. Our vision is to graduate resilient global citizens, with the knowledge and skills needed to adapt, innovate and lead in a changing world. I hope you feel that your time at Douglas has prepared you to do just that, and to give back in whatever way you can to make the world a better place.

Looking ahead, some of you may be transitioning directly into a career. Some of you may be moving on to further studies. Just know that you will always have a home here. You are now a Douglas College alum. You are part of a very special community, and we will be watching with pride as you set out to achieve your dreams.

Enjoy this moment. You've earned it.

Dr. Kathy Denton, President
Douglas College

HONORARY FELLOW

Mebrat Beyene

Douglas College awards an Honorary Fellow designation to recognize outstanding achievements or distinguished service by an individual on a community, provincial, national or international scale. This year's Honorary Fellow is Mebrat Beyene.

Mebrat is an Eritrean born in Ethiopia and raised in Montreal. She is a mother, leader, community developer, facilitator, consultant and singer known for her passion, enthusiasm and energy. She has worked in social justice, non-profit management and community development for 30 years. In 2020, Mebrat was awarded the YWCA Women of Distinction Award in the Non-Profit category.

As the former Executive Director of WISH Drop-In Centre Society, Mebrat supported women, gender-diverse folks and initiatives related to the health, safety and rights of street-based sex workers. Her involvement led to the creation of Canada's first shelter for women in sex work, in collaboration with the City of Vancouver and BC Housing.

Mebrat has worked closely with women and women-serving organizations as a Programs Officer with Status of Women Canada and has served as the Executive Director of PeerNetBC while participating in numerous sectoral and multi-stakeholder groups and committees. As a volunteer, Mebrat co-chairs the Board of the Equality Fund and sits on B.C.'s Poverty Reduction Advisory Committee as well as on CCPA-BC's Racial and Socio-Economic Equity Advisory Committee. She also serves on the City of Vancouver's Black History Month Planning Committee and volunteers with the Vancouver Youth Choir.

She lives in East Vancouver, doing as much singing, adventuring and plotting with her son as she can.

Mebrat will be lauded as Douglas College's newest Honorary Fellow during the 2pm graduation ceremony Feb. 22.

Graduation Distinction and Valedictorians

Graduation Distinctions are recognized with the presentation of a gold honour cord. Students awarded the graduation distinction are students who have achieved a minimum GPA of 3.67 in the qualifying courses for their credential.

Eligible students are noted with an *.

Valedictorians are high achieving students chosen by their Faculties, generally from the highest-level credential.

PLEASE NOTE

Graduation lists in this program were prepared before credentials were awarded and may not be complete; names of some graduates may be missing. Douglas College apologizes for any inadvertent omissions or errors.

Not all of the students listed have fulfilled their graduation requirements at the time of printing. In the event of a discrepancy between this program and the Douglas College graduation roster, the Douglas College graduation roster shall be taken as correct.

Credentials awarded at Douglas College

Douglas College awards credentials commensurate with requirements necessary at the time of program completion. All credentials are awarded through Enrolment Services once it is determined that candidates satisfy program requirements.

The types of credentials are typically defined by the length of study and the number of required credits in a defined program of study.

Certificate: A defined program of study involving one year or less of study.

Advanced Certificate: A defined program of study offered to students who already have at least a Certificate and who complete additional specialized courses.

Diploma: Limited-enrolment areas – in a specific field consisting of a defined program of study, requiring a minimum of 60 credits; Open-enrolment areas – in selected courses within a defined program of study, requiring a minimum of 60 credits.

Specialization: A thematic specialization for a Diploma is met by completing 18 or more credits, at least nine of which are at the 2000 level, of a thematically linked list of courses within a diploma program.

Post-Degree Diploma: One year (minimum 30 credits) of a defined program of study for students who already possess a bachelor's degree; at least 50 percent or 15 credits of coursework in the diploma is at the 3000/4000 level.

Post-Baccalaureate Diploma: Two years (minimum 60 credits) of a defined program of study for students who already possess a bachelor's degree; at least 50 percent or 30 credits of the coursework in the diploma is at the 3000/4000 level.

Graduate Diploma: One or two years of a defined program of study following the completion of a bachelor's degree; coursework in the diploma is at the 5000 level.

Honours Credential: As determined by each program area, a defined program of enriched study, including such requirements as guided studies, supervised research and/or a major paper and including a minimum GPA of 3.33.

Associate Degree: In Arts or Sciences, requiring a minimum of 60 credits of first- and second-year university-transfer courses; may include a thematic emphasis or discipline specialization.

Bachelor's Degree: A minimum of 120 credits in a specific program field consisting of a defined program of study, including a minimum of 45 credits taken in courses at the 3000/4000 level.

Continuing Education Certificate of Program Completion: Issued when formal recognition of successful completion of a non-credit program is required.

Training Group Certificate: Issued when a formal credential of successful completion for a Training Group non-credit program is required.
