Sign into upassbc.translink.ca

Select your school and enter your student ID.

3

Link your Compass Card

Enter the 20-digit number and 3-digit CVN on the back of your Compass Card.

4

Request your U-Pass BC

Once your card is linked, request your U-Pass BC. The system will confirm your eligibility and load your U-Pass BC onto your Compass Card. It may take up to 24 hours for your pass to load, so request it early.

5

Now you're ready to travel!

Simply tap in and out every time you enter and exit a SkyTrain, SeaBus or West Coast Express station, including when you transfer. Remember, there's no need to tap out when exiting a bus. The system calculates the fare zones you've travelled and charges you the correct fare.
