Career Centre Programs

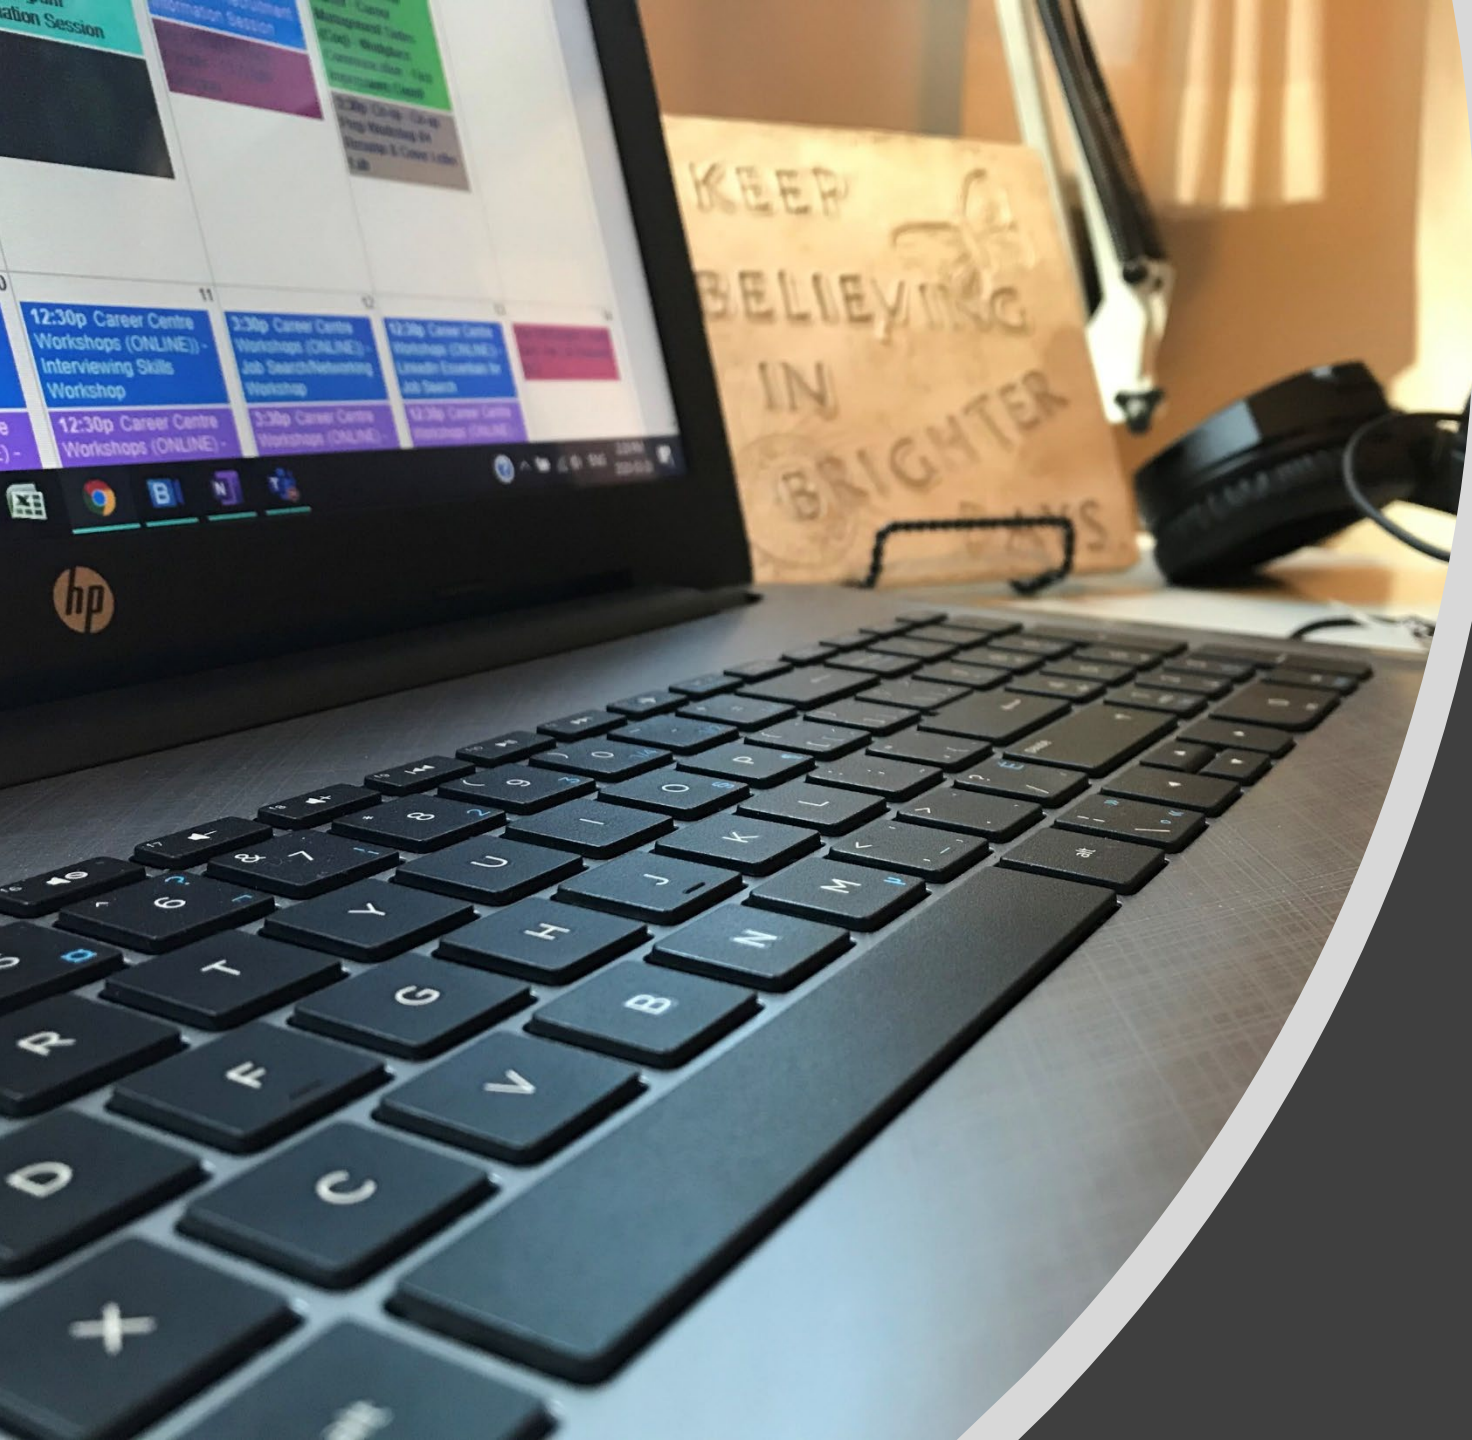

Co-operative Education

Earn while you learn!

Co-op alternates semesters of classroom studies with paid, full-time work in your field of studies, giving you hands-on experience that will make you job ready when you graduate.

Career Boost Program for Post-degree Students

Get the advanced employment support you need to succeed in the job market! Through a series of specially designed workshops, employer engagement events, and ongoing networking activities, secure part-time or volunteer work while you're still a student, to your full-time career related position after graduating.
