## **Audit Agreement**

The **Audit Agreement** is a contract between an instructor and a student who wishes to learn without the requirement of course credit, as per the Douglas College Audit Policy.

- 1. The student must be in good academic standing at the time of registration.
- 2. The student must register and pay full tuition fees for the course as a credit student, following current Enrolment Services procedures and deadlines.
- 3. To change to "audit" status, the student must obtain instructor permission.
- 4. The student and instructor must complete an Audit Agreement form, and each retain a copy for their records.
- 5. The student must submit the original completed form to Enrolment Services by the end of the two-week late registration period.
- 6. Enrolment Services will change the student's status from "registered" to "audit".
- 7. If the student fails to meet the terms of the Audit Agreement, the instructor will complete a Change of Grade Form and submit a final grade of "W" for the course.
