

Dear Colleagues,

I'm honoured to be nominated for the support staff position on the College Board. With over 11 years in student services, I've gained a strong understanding of the challenges we face and am committed to ensuring our voices are heard.

My key priorities are:

Professional Development: Advocate for regular training and a mentorship program to support career and personal growth.

Work-Life Balance: Promote policies that help us maintain well-being while performing at our best.

Inclusive Environment: Support initiatives that celebrate diversity and ensure all staff feel respected and valued.

These lessons shape my goals: to equip staff with **tools for collaboration**, **promote flexibility** to prevent burnout, and **foster an inclusive culture** where everyone thrives.

Together, we can build a more positive, productive workplace.
