**Hello,**

This **New Student Update** is here to give you the key information you need to start your first semester off strong! It covers:

- [Course registration and waitlist information](#)
- [Fee payment and financial aid](#)
- [Accessibility Services](#)
- [New Student Orientation Sessions](#)

### **Course registration and waitlist information**

On the [Registration - Fall 2025 webpage](#), you will find helpful details about how to search and register for your courses. Make sure to watch the video tutorials available at the bottom of the page to learn more about the registration process.

Once you have registered for your courses, you may find yourself on the waitlist for some of them. If that happens, do not worry. There is still a chance you will make it into

the course. When you are on the waitlist, be sure to check your [myAccount](#) every day because if you are given an offer, you only have **23 hours** to accept it. If you miss your offer, you will be removed from the waitlist. If you are still on a waitlist on the first day of class, make sure you attend the class as there is still a chance you will get in. Visit the [Waitlist information webpage](#) for more information.

### **Fee payment and financial aid**

Get to know the [Dates & deadlines webpage](#) to make sure you are on top of everything. The fee payment deadline is **August 18**. If you do not pay your fees on time, you will be deregistered from your courses and removed from any waitlists. Make sure this does not happen to you! Details on ways to pay can be found on the [Paying your fees webpage](#).

First semester students can contact Enrolment Services advisors for financial aid support. They can assist you with applying for loans, bursaries and scholarships. If you are a B.C. resident and plan on applying for B.C. student loans, check your [StudentAid BC eligibility](#) and, if necessary, get the required information from your parent/guardian to apply. For questions about loans or other financial aid matters, [contact Enrolment Services](#).

### **Accessibility Services**

Douglas College strives to be an accessible and welcoming place for all students. If you are anticipating or experiencing barriers to access, Accessibility Services is here for you. They will work with you and your instructors to create an individual plan for accommodations and support.

To learn more about Accessibility Services and how to contact them, visit the [Accessibility services webpage](#).

### **New Student Orientation Sessions**

Attend a new student orientation session to explore available services, connect with faculty and peers and navigate our campuses. Choose the one offered by your faculty.\* If its schedule does not work for you or if there is not one being offered for your faculty, attend the general one.
