NSU#2 - Course registration and fee payment

New Student Update #2 – November 10, 2026

This message is intended for domestic students only. If you are an international student and have received this message in error, please go to the International Student Services webpage for information pertaining to international students.

Hello,

This **New Student Update (NSU)** is here to give you the key information you need to start your first semester off strong!

Key dates & deadlines:

- Nov. 12 – Jan. 10: Course registration
- Dec. 7: General New Student Orientation Session
- Dec. 7: Tuition fees payment deadline
- Jan. 17: Bursary application deadline

Course registration and waitlist information

On the **Prepare for registration webpage**, you will find helpful details about how to search and register for your courses. Make sure to watch the video tutorials to learn more about the registration process.

Once you have registered for your courses, you may find yourself on the waitlist for some of them. If that happens, don't worry. There is still a chance you will make it into the course. When you are on the waitlist, be sure to check your **myAccount** every day because if you are given an offer, you only have **23 hours** to accept it. If you miss your offer, you will be removed from the waitlist. If you are still on a waitlist on the first day of class, make sure you attend the class as there is still a chance you will get in. Visit the **Waitlist information webpage** for more information.

Fee payment and financial aid

Get to know the **Dates and deadlines webpage** to make sure you are on top of everything. The fee payment deadline is **Dec. 7**. If you do not pay your fees on time, you will be deregistered from your courses and removed from any waitlists. Make sure this does not happen to you! Details on ways to pay can be found on the **Paying your fees webpage**.

First semester students can contact Enrolment Services advisors for financial aid support. They can assist you with applying for loans, bursaries and scholarships. Applications for our bursaries for Winter Semester are open from Dec. 16 to Jan. 17. Visit the **Awards, bursaries and scholarships webpage** for more information. If you are a B.C. resident and plan on applying for B.C. student loans, check your **StudentAid BC eligibility** and, if necessary, get the required information from your parent/guardian to apply. For questions about loans or other financial aid matters, **contact Enrolment Services**.

Accessibility Services

Douglas College strives to be an accessible and welcoming place for all students. If you are anticipating or experiencing barriers to access, Accessibility Services is here for you. They will work with you and your instructors to create an individualized plan for accommodations and support.

To learn more about Accessibility Services and how to contact them, visit the **Accessibility Services webpage**.

General New Student Orientation Session

Get ready for your first semester by attending the online General New Student Orientation Session on **Dec. 7**! We will walk you through the new student checklist, introduce you to services which support your journey and answer any questions that you have. The session is open to parents and supporters as well. **Register now!**
