SECTOR/ OCCUPATION	RESOURCE TYPE	DESCRIPTION AND HYPERLINKS	ESSENTIAL SKILLS	ORGANIZATIONS
Aboriginal	Reference	<p>This website created by the Construction Sector Council, is designed to provide young Aboriginal Canadians with information that can help them choose the right career path. It offers information on 38 trades and occupations in the construction sector and includes Essential Skills examples from each occupation.</p> <p>http://www.careersinconstruction.ca/en/why-construction/opportunities-indigenous-people</p>	Training options	 <p>BUILD FORCE CANADA</p> <p><i>Workforce solutions built by industry</i></p>
Aboriginal	Reference	<p>This project was created in 2001 and was designed to increase Aboriginal employment in the environment sector. Its aims are to create an awareness of environmental careers among Aboriginal communities, support Aboriginal people's development in the environmental sector, become the premier source for environmental employment resources, and recognize and support environmental excellence in the Aboriginal community, education, and industry.</p> <p>http://www.eco.ca/beahr/</p>	Training options	<p><i>Since 2006, BEAHR training programs have helped Aboriginal communities develop technical environmental skills and foster rewarding environmental careers.</i></p>
Aboriginal	Lesson Plans	<p>A very informative website in terms of northern and Aboriginal content and issues, this site has information, research reports, and tools in family literacy, Aboriginal languages and literacy, workplace literacy and essential skills, and adult learning. There are many useful links to other Essential Skills resources and websites. There are 6 issues of the online interactive newspaper, The Northern Edge. This paper has a workplace literacy section in each issue with embedded resources for adult learners.</p> <p>http://www.nwtliteracy.ca/</p>	<p>Numeracy Reading Writing Document Use Thinking Oral Communication</p>	 <p>NWTLC NWT Literacy Council</p>
