## Employment Services for Newcomers to BC

### Career Paths for Skilled Immigrants : Health

This free program is for newcomers living in any British Columbia community with training and skills as a Nurse(RN/LPN/RPN), Physician (General Practitioner or Specialist), Sonographer or Health Care Assistant (HCA). Working one-to-one with knowledgeable career coaches, you will access resources and support to launch your career in Canada's health care system.

#### Program Location :

Online & in-person

### Career Paths for Skilled Immigrants : Education & Social Services

Designed for internationally trained post-secondary instructors, ECE educators and community social services professionals, the program supports participants to navigate Canadian credential processes, understand the local labour market and workplace systems, improve communication skills, and find employment.

#### Program Location :

Online & in-person

### Career Paths for Skilled Immigrants : Tri-cities

Designed for internationally trained newcomers from all professional backgrounds who live in Coquitlam, Port Coquitlam, Port Moody, Maple Ridge, and Pitt Meadows. The program supports participants to navigate credential and regulatory processes and transition into the Canadian workplace using pre-landing skills, experience and education.

#### Program Location :

Online & in-person

## Language Instruction for Newcomers (LINC)

### LINC 1-6

LINC delivers free language training and skills development services that will help you attain the English proficiency you need to function and participate in all aspects of Canadian society and the economy. We offer morning, afternoon, and evening classes, as well as child-minding services

#### Program Location :

Douglas College Surrey Training Centre

### LINC Engage

LINC Engage helps develop skills through projects while learning English at the same time. It is an exciting program for immigrants and refugees.

#### Program Location :

Douglas College Surrey Training Centre & New Westminster Campus

### Workplace LINC (5/6)

Workplace LINC 5/6 combines language instruction with classes on how to prepare for work in Canada. You will also practice computer skills. This popular program is for newcomers who are motivated to build up their English language skills to enter the labour market.

#### Program Location:

Douglas College Coquitlam Campus

## Youth Employment Services

### CAVE

Designed for youth 16 to 29 looking to launch a career within their industry of choice. The program includes seven weeks of in-class training and 12 weeks of career coaching.

#### **Program Location :**

Douglas College Burnaby Training Centre

### REBOOT PLUS

Designed for youth aged 17-24 who have not completed high school or who are currently struggling to complete high school. Through 16 weeks of program, participants explore their personalities, skills and interests, get an inside look at post-secondary and career options, meet employers and professionals in their fields of interest and develop actionable education and career action plans.

#### **Program Location :**

Douglas College New Westminster Campus

### Q+ Works

Designed to help 2SLGBTQIA+ Young Adults at Risk to find jobs. Inclusivity, collaboration and empowerment are three principles of our employment program. It is an opportunity that helps to unlock your potential through 6 weeks of group training sessions followed by 4 weeks to plan your next steps; be it job search or continuing education.

#### **Program Location :**

Douglas College New Westminster Campus

## Employment Services

### VOICE

An Employment Program for BIPOC individuals with disabilities. Through 8 weeks of hands-on support and training, we strive to bridge the gap between employers, BIPOC employees with disabilities and their support networks.

#### **Program Location :**

Douglas College Surrey Training Centre

### Encore Careers (55+)

Designed for individuals 55+ who are unemployed and looking for help to identify skills, to search for a job or to start a business. Project provides access to further training and certifications, support to develop digital literacy skills and options to bridge to retirement. The program includes 6 weeks of in-class training and 4 weeks of individual support.
