h # h @ k

Douglas College and Paintedstone and Associates Learning Systems (PALS) have refreshed the course “*An Aboriginal Essential Skills Journey, Planting the Seeds for Growth*” to reflect Canada’s “Skills for Success” framework from a culturally sensitive lens and through a transition to an online delivery format.

‡

- What are the Skills for Success?
- Where does the framework come from and why are they important?
- How are they used?
 - Assessments
 - Tools and Resources
 - Programs in Action

‡

Leaders and front-line workers serving Indigenous Communities and Persons in Education, Human Resources, Workplace Training, Career and Employment Counselling

=

- O # 1 hour webinar and 2 to 3 hours (estimation) per week for independent online activities (total course hours estimated at 15 to 20 hours)
- \) o will be offered to groups of 8 or more where course length can be adjusted based on needs.

‡

- O "
- # # providing equivalency to the Introductory Course of the Skills for Success Practitioner CE Certificate Program* (for those who complete the course)
- 7 o # o
- facilitator guides and participant workbooks, and new learner tools and resources

‡

- Attend and participate in webinars 1 time per week for 5 weeks
- Participate in course discussions
- Complete course activities to demonstrate learner outcomes

NOTE – In order to maintain a record of course completion Pilot Participants are asked to provide name, address, birthdate, email and phone number as required for Douglas College registration systems. All information is maintained confidentially and will not be shared.

*The program name change from Essential Skills Practitioner Training program to Skills for Success Practitioner Program is currently in progress through a review by the Douglas College Education Council.

‡

- Complete brief feedback survey information to help improve the pilot course, and
- Pilot Skills for Success Learner Tools with 5 Indigenous Learners

NOTE – all feedback survey information collected is anonymous and will be shared only through aggregate data. No personal identifiable information will be captured or shared.
