	 Group dynamics and interactions. Analysis, recommendations and reporting 	ng taahniguaa					
	8. Report presentation.	ig techniques.					
	o. Report presentation.						
0:	Methods of Instruction						
	Focus of this course is a practical project, done in the business community. Class time will be limited, and will focus on project management techniques and student group problem solving. Students will share their experiences, challenges and recommendations with the class. Field work and student-directed learning will constitute the principal activity undertaken throughout the course. Student groups will meet and/or interact regularly with the instructor as required.
