O: Methods of Instruction

The student will receive one hour of private instruction for 12 weeks and will be expected to practise adequately as specified by the instructor.

P: Textbooks and Materials to be Purchased by Students

Study material will be selected by the instructor.

Q: Means of Assessment

100% of the total mark will be allotted by the instructor on the basis of weekly achievement in the various aspects of the course. This will be recorded by the instructor at the conclusion of each lesson. Factors to be considered are progress, punctuality and attendance, musicianship and completion of the minimum requirements.

Up to 10% of the total mark will be deducted for unsatisfactory participation in recitals and masterclasses. The following explains the grading calculation:

5% is deducted for failure to perform

1% is deducted for each absence from the Noon-at-New West series

If a student has not attended the required number of divisional recitals and masterclasses, 1% is deducted for each absence.

1% is added for each additional performance and/or accompaniment above the minimum. This addition will only offset marks that have been deducted.
